

Dear NJSAMS Users,

This Release Content Letter (RCL) announces the enhancements and maintenance fixes in NJSAMS 3.4.5.2 release. The highlights of the release excluding Medicaid Outpatient clients from ERL due list.

Enhancements in NJSAMS 3.4.5.2

1. Effective 04/17/2017, Medicaid clients admitted in outpatient does not require Medicaid PA. There is no more cap or a requirement for an Extension Request but Medicaid still covers the service
